

“Vision” by Michele Addino-Colchin - Song Lyrics

I. Find Me, Lord

I cannot find you, Lord.
The heavy fog consumes me.
I search the dark and stormy waters for you.
I sail the sea of faith, I seek but do not find
Anything but dark lonely shores. . . So, I pray,

Refrain:

**Find me, Lord, help me to see your face.
Let it shine like a beacon in my heart.
Call out my name and I will sail back to you.
In the night, shine your light, on me.**

I cannot hear you, Lord.
The angry crowd surrounds me.
Different voices all around me, which one is yours.
I sail the sea of faith, I seek but do not find
Anything but dark lonely shores. (R)

II. I Can See Peace

1. Instead of this, instead of this, instead of this, instead of this.
2. Instead of this, I can see peace. Instead of this, I can see peace.
Instead of this, I can see peace. Instead of this, I can see peace, instead of this.
3. Instead of this, I can give love. Instead of this, I can give love.
Instead of this, I can give love. Instead of this, I can give love, instead of this.
4. Instead of this, I can feel joy. Instead of this, I can feel joy.
Instead of this, I can feel joy. Instead of this, I can feel joy, instead of this.
I can give love, I can feel joy, I can see peace instead of this.
I can give love, I can feel joy, I can see peace instead of this.
I can see peace, I can see peace. I can see peace, I can see peace.
I can see peace, I can see peace
See peace, see peace. See peace, see peace.
Peace, Peace. . . .

III. Vision

1. When the darkness surrounds me, enfolds me, invites me in.
Shadows circle before my sight and taunt me to give in.
But the darkness is an illusion, I've created in my mind.
Although I believe in the light of God, I act as though I'm blind.

2. A phantom veil before me clouds and covers my eyes.
Small remnants of your light I see, my soul begins to rise.
O send your love, O Jesus cast light unto my face.
Shine your holiness deep within into this darkened place.

Refrain:

**O Lord be Thou my Vision, give me your eyes that I may see.
O Lord Be Thou my Vision, beyond all else I desire to see.**

3. My spirit longs to awaken from this haunting dream
Holy Spirit revive me, give me life that I may breathe,
The darkness is an illusion but it seems so real to me.
Take my hand, O Lord and open my eyes to see reality. (R)

4. When the darkness surrounds me, enfolds me invites me in.
Shadows circle before my sight and taunt me to give in.
The darkness is an illusion but it seems so real to me.
Take my hand O Lord and open my eyes to see reality! (R)

V. Revive Me

1. I know I am beautiful, but I don't always see it.
I know I am wonderful, but I don't always feel it.
Let me see with your eyes, Holy Spirit, the truth about me.
Give me your vision to see the light that exists within me.
Come revive me.

2. I am healed, I am free, I am whole, teach me to live it.
I am not this body, I am Spirit.
Come and help me accept the truth of who I am, let it resound in me.
Give me your wisdom to understand, live my reality.

Refrain:

**Come revive me, realign me, bring me back to who I am.
Reconnect me, resurrect me, bring me back to where I first began.**

3. I am the light of the world, help me to show it.
I am the Holy Child of God, let me own it, deep in my heart.
Holy Spirit, the truth about me.
Give me your vision to see the light, to live my reality.

Refrain:

**Come revive me, realign me, bring me back to who I am.
Reconnect me, resurrect me, bring me back to where I first began.**

Revive me, come revive me to who I am
Realign me, realign me, to who I am.
Resurrect, resurrect, resurrect me
Reconnect, reconnect, reconnect me.

**Come revive me, realign me, bring me back to who I am.
Reconnect me, resurrect me, bring me back to where I first began.**
